MAGICAL SUNDAY

WIN PRIZES WITH CROSSWORD

Dear All,

I am delighted to present the second issue of our Quarterly E-Newsletter, **MAW DIARIES**. Our first issue was a success and I would like to thank each one of you for your support and participation.

I am overwhelmed, that the participation is still strong as we have received noteworthy entries for this quarter as well. The ideas, contents, and achievements that you all have shared is very much appreciated.

The past year has been great. Few of our last year's major achievements were:

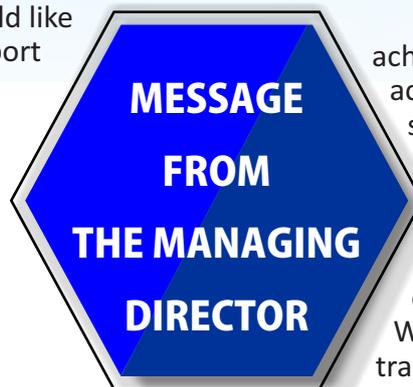

- Highest sales of JCB till date - 2001 units.
- Highest Sales of Yamaha till date - 38,266 units.
- Kone Lift in its initial phase already has 12 bookings and 1 delivery.
- 110% growth in Yamaha Music.

Furthermore, to make all our divisions' self-reliant, we have made some major organizational transformation.

- Partnership with Mr. Raunak Agarwal for Skoda Car.
- Appointed Mr. Chiranjibi Shah as Business Head for Motorcycle Division.
- Appointed Mr. Suneil Thapa as Business Head for MAW Earthmovers Pvt. Ltd
- Appointed Mr. Jitendra Mali as Business Head for Life Automobile Pvt. Ltd.

I am confident that their expertise in

respective fields will take MAW to further heights. I wish them all the best!

I believe that together, our team have achieved much more, and will continue achieving great things. We have recently started a "Training and Development Department" in Corporate Division which is being led by Mr. Vineet Pandya. This department is solely focused on individual training and development of staff for all divisions. We have already begun in-house training at JCB. This month, we are also giving XLRI Training from India to all Branch Managers and Area Managers of Earthmovers Division.

I always believe in new initiatives and this year we have commenced our Annual Planning a bit differently. As a part of Annual Planning, we conducted a survey to analyze how we should be going forward in the coming years. This survey was done throughout MAW wherein, we received a good response. The suggestions we received were very constructive and resourceful. We look forward to incorporate it in our planning and strategic development.

I hope you will enjoy this issue and keep supporting this initiative!

Moral Lesson

One day a rich dad took his son on a trip to village. He wanted to show him how poor someone can be. They spent time on the farm of a poor family. Dad asked, "Did you see how poor they are? What did you learn?" Son said, "We have one dog, they have four, we have pool, they have rivers, we have lanterns at night, they have stars, we buy foods, they grow theirs, we have walls to protect us, they have friends, we have encyclopaedias, they have Bible"

Then they headed, "Thanks dad for showing me how poor we are."
Moral Lesson
Its not about money that make us rich, It's about simplicity of having God in our lives.

For A Mother

Almost three years now. They say you're gone, "Dead". I clearly remember that day. It had rained all night and in the morning, there were people crying, screaming, mourning but I was still sitting there beside you. I was watching you; your beautiful face. Then they took you away, they said, "Stay home! You won't be able to see". They said, "Have a one last look!" But I couldn't get that

one last look. For days I waited for you to come back home then the months passed by and years. Still, I was there waiting for you. Not that I was so naive to not know what death meant but that stupid heart said you will come back one day. And one day, you did come but only in my dreams. You were not the same to that day when you left. You looked beautiful as always! Your hair looked perfect but the last time I saw you, you were sad that the disease and medicines were taking your hair away, your charm, your beauty, your hope, your love and your family. In that dream, you asked me to come with you but, grandma didn't let me come with you. You returned sadly. Next morning when I woke up, I was happy to see you even if it was just in my dreams. That day I felt as if you were watching me from far away and you too were longing for a meet like I was. But it's been a while now, you no more come to my dreams. I regret of not letting you know how much I loved you, of what you meant to me, of not having a picture with you. Your picture is still clear in my memories. But I do miss you more than I did yesterday.

Time To Believe

To believe is to know that
Every day is a new beginning.
Is to trust that miracles happen,
And dreams really do come true.

To believe is to see angels
Dancing among the clouds,
To know the wonder of a stardust sky
And the wisdom of the man on the moon.

To believe is to know the value of a
nurturing heart,
The innocence of a child's eyes
And the beauty of an aging hand,
For it is through their teachings we learn to
love.

To believe is to find the strength
And courage that lies within us
When it's time to pick up
The pieces and begin again.

To believe is to know
We are not alone,

JOB APPRAISAL

A little boy went into a drug store, reached for a soda carton and pulled it over to the telephone. He climbed onto the carton so that he could reach the buttons on the phone and proceeded to punch in seven digits (Phone Number). The store – owner observed and listened to the conversation.

"Lady, Can you give me the job of cutting your lawn?"
(At the other end of the phone line),

"I already have someone to cut my lawn."

"Lady I will your lawn for half the price of the person who cuts your lawn now,"

"I am very satisfied with the person who is presently cutting my lawn."

(With more perseverance), "Lady, I'll even sweep your curb and your sidewalk, so on

Saturday you will have the prettiest lawn in all Palm Beach."

"No Thank you."

With a smile on his face, the little boy replaced the receiver. The store – owner, who was listening to all this, walked over to the boy.

Store Owner, "SonI like your attitude, I like that positive sprit and would like to offer you a job."

Boy, "No Thanks."

Store owner, "But you were really pleading for one. "

Boy, "No sir, I was just checking my performance at the job I already have. I am the one who is working for that lady I was talking to!"

This is what we call 'Self-Appraisal' .

Every time if we don't get ahead of others, we blame others for it. We should look to our self and compare, fine own weaknesses and work hard to throw away

weaknesses.

DAY TRIP TO PEAR GARDEN

Tallest Buddhist prayer flags I have ever seen, stitched on the bamboo stick, fluttering along with the wind towards east. Spectacular view!!! Really fortunate enough to encounter such a heavenly place on earth. After continuous slippery climb, feeling sweaty and out of breath, reaching to this place was liberating and a bliss.

Most of the colleagues in MAW Enterprises were invited in the wedding reception party of Ganesh Gautam (Colleague from Accounts department in MAW Enterprises). The reception party was held at the beautiful outskirts of Kathmandu, Chhaimale. The entire S&C department were invited. Upon unanimous decision, everybody

decided to attend the reception party. Just a day before the reception day, team outing was fixed. Everybody confirmed their arrival at Ratnapark by 8 AM. The KIA Pregio arrived on time and with all the excitement and joy the journey started off. Our first stop point at Dakshinkali temple. Thousands of prayers queuing to the temple, most of them dressed red, carrying stitched leaf bowl with flowers, incense stick, sweets, vermilion powder to worship since it was Saturday. On the way, we saw the hoarding which says, 'Way to Cave'. This really interested all of us so we decided to hike till the cave. To our greatest surprise, the way to cave was very steep and slippery due to leaves.

The climb was long and tiring but after what we saw made that climb worthwhile. The green land with monasteries, tallest prayer flag hanging on the bamboo sticks, beautiful flower plantation. We asked the local, for the way to cave but they seemed unsure. There was no cave there but they directed us to the way to temple. We travelled through the village, trees with various fruits, flowers, hens running around, water falling from the hills. After the long walk, we reached the temple. The cool breeze releasing from all around the surrounding felt like being in heaven.

On the way back from the temple, we found trees full of apricots and berries. We were starving by then, and those fruits seemed so appealing that we plucked them out and ate directly. Mouthful of succulent fruits, Uhhh... we kept eating. Suddenly, from far away a woman was yelling looking at us, later we realized those fruits were from her land and we were actually stealing her fruits. She came running and we ran swiftly down the road with handful of fruits. Laughter and more laughter Blimey!!! such an amazing experience, that was... Unexpectedly, we found the flex that read..." Way to Cave". We had to climb down since the arrow showed the way downward, the path seemed really steep and daunting, meanwhile a barefooted old lady was climbing up with bunch of grasses carrying behind her back. That was heroic. We were already tired by then, but with all the energy we

followed the arrow showing down the hill with the hope to see the cave. All of us were disappointed to find nothing interesting there, so we returned. Within few minutes, we arrived to the place where the Pregio was parked. The driver drove us all to the Chhaimale. We were literally tired and everybody relaxed in the van. After an hour ride, we arrived Ganesh sir's home. The most unique and adventurous marriage reception ever attended. We took the tour around Ganesh sir's garden area full of fruits and plantation. Really peaceful and relaxing place to chill around. The other colleagues from MAW Enterprises arrived at the reception party and together we gave the wedding gift, the voucher for the couple dinner party at Soaltee Crowne Plaza, to the newly wed bride and groom. By 3, the buffet was ready to be served. Food energized each one of us. And after a small break, we left for home. It was great day trip with the team to the pear garden, the hike was the show stealer. Glad to add this day to the memory.

we know you have better.

हजरको बारेमा केही भनिदिनुस न सर ?

म Management को student TU बाट Masters गरें। त्यसपछि काम गर्ने क्रममा एउटा NGO मा Account मा काम गरें। त्यसपछि Siprodi मा Join गरें। त्यहाँ पनि शुरुवातमा Account मा नै काम गरें। त्यसको डेढ वर्षमा Siprodi मा नै Truck Tipper Segment मा Assist Product In-charge त्यस पछि Product In-charge हूँदै Earthmovers मा Operations Head को रोलमा ५ वर्ष काम गरें।

मलाई काम गर्दा एकदमै Enjoy गरेर रमाएर काम गर्न मन पर्छ। म कामलाई कामको रूपमा होईन कर्तव्यको रूपमा हेर्छु। काम नगरी खालि बस्न मन पर्दैन।

म आफैलाई मेरो मन नपर्ने कुरा भनेको म एकदमै emotional छु।

Automobiles sector & MAW नै किन रोज्नुभयो ?

मलाई सानै देखी Automobiles मन पर्दथ्यो, म आफू सानो हुँदापनि कतै जाने क्रममा गाडीको अगाडि नै बस्थेँ र गाडीको सबै पार्ट र गाडी कसरि चल्छ, एकदमै चासो दिएर हेर्थेँ। Sales को कुरा गर्नुपर्दा तपाईंहरू विश्वास गर्नु हुन्नहोला म school छँदा पुष्टकारी बेच्थेँ।

यहाँबाट मेरो Automobile र Sales को यात्रा सुरु भईसकेको रहेछ। यो क्षेत्रमा काम गर्ने प्रेरणा मेरो बुवाबाट पनि पाएँ। मैले मेरो Career Automobiles मा नै छु, Automobile मा नै केहि गर्नुपर्छ भन्ने चाहिँ त्यतिबेला लाग्यो जतिबेला म Truck and Tipper मा Product In-Charge भएर काम गर्न थालें। Truck Tipper Siprodi को Core Business थियो।

किन MAW भन्नुपर्दा :

Siprodi मा काम गर्ने क्रममा मेरो भेट बिजु सरसँग भयो। कामको सिलसिलामा सरसँगको भेटघाट हुनेक्रम चलिरह्यो। एकदिन

Automobiles sector & MAW नै किन रोज्नुभयो ?

सरले मलाई MAW मा Offer गर्नुभयो। सरसँग कुरा गरेपछि नाई, हुँदैन भन्ने सायदै भेटिएलान म पनि Convince भएँ र अहिले MAW Vridhi मा छु।

MAW मा आफ्नो Team मा काम गर्दा कतिको Proud Feel गर्नुहुन्छ ? किन ?

हाम्रो Team मा जति जना काम गर्नुहुन्छ सबैजना Young उमेरका साथीहरू हुनुहुन्छ। सबै जना जाश जाँगरले काम गरिरहनुभएको छ। Office लाई Office नभएर आफ्नै घर र कामलाई office को काम नभनेर आफ्नै काम हो भन्ने सोचेर काम गर्छौं। सबैलाई Grow गर्नु छ र Grow हुनुछ। त्यसैले यो हिसावले म MAW र मेरो Team सँग काम गर्न पाउँदा अत्यन्तै गौरवान्वित छु।

MAW मा काम गर्दाको अविशमरणीय क्षण Share गरिदिनुस् न ?

हामीले सुरुमा VOLVO Tipper लाई Market मा Place गर्ने कोशिस गरेको थियो जुन हामीलाई एकदमै गाह्रो भयो तर जुन MAN को Business शुरु गर्नुको Market बाट

Positive feedback आयो, यति छिटो Market मा Pickup लिन्छ जस्तो लागेको थिएन तर हाम्रो Product यसरी Move भयो कि हामीले सोचेकै थिएनौं। यो सफलताले सबै कर्मचारीहरूको अनुहारमा एकप्रकारको खुशी थियो जुन उनीहरूको मूस्कानले भल्कायको थियो। त्यो क्षण कहिले पनि बिर्सिन सक्दैन।

हजरको Working Experience मा Company र Staff दुबै Long term लैजानकोलागी के गर्नुपर्ला ?

आफ्नो Office Team लाई परिवार सरह व्यवहार गरेर एउटै परिवार भएर Office मा काम गर्ने वातावरण बनाउन सक्यौं भने जिवनमा कहिल्यै पछाडी फर्केर हेर्नुपर्दैन।

अर्कोकुनैपनि Organization मा काम गर्दा Team लाई Responsibilities दिनुपर्छ

Grow गराउनु पर्छ। आफुले दिएको काममा विश्वास गर्न सक्नुपर्छ र Ownership Feel गराएर काम गराउन र गर्न सक्यो भने Company र Staff दुबै Long Term जान्छ।

Family Time Manage कसरी गर्नु भएको छ ?

Family लाई यो मेरो काम हो, मैले गर्नुपर्छ भन्ने Feel गराउनुपर्छ। हामी घरमा आ-आफ्नो कामको प्रकृती अनुसार मिलेर समय व्यवस्थापन गर्छौं। Pressure मा काम गरिरहेको हुन्छु, Disturb गर्नु हुन्न भन्ने कुरा मेरो परिवारलाई थाहा छ। हामी बीच राम्रो समझदारी भएकाले आफ्नो काम सकिए पश्चात एक अर्काको लागि समय दिने गरेका छौं।

हजरलाई दश करोडको चिठ्ठा पत्न्यो भनेर थाहा पाउनुभयो भने के गर्नुहुन्छ ?

आफ्नो Family तथा Office Staffs लाई खबर गर्छु अनि संगै Celebrate गर्छु। पैशा लगेर Future को लागि Invest गर्छु।

Motivational Story

Motivational Story

Once upon a time there was a monk. Then one day, a guy came to him and was grumbling about all the problems, the troubles, the difficulties that he was going through. He had just recently lost his job for no reason. His relationships were in a deep mess. Nobody was trying to understand him. Everything was going wrong, even though he didn't do anything wrong. And all through the conversation, he kept asking a monk, "why is this happening to me?" I am sure that lot of you can relate to the situation that this guy was going through. Then a monk told him, "Look man, do what you can do to sort it out. If it's your fault, correct it. If it's someone else's fault and that person is within your access,

discuss with him, communicate to them". Very often however, what we go through is neither our fault nor the fault of someone else. For example, a serious disease that we go through. We didn't do anything wrong to get it and nobody else did anything wrong to have us get it. So, how do we deal with it?

Here's what we do, a little boy once came running to his mother and asked her "What are you doing, Mom?" She replied, "I am making a beautiful embroidered design on this nice cloth." A little boy looked up to the cloth, securely, held in the wooden ring with the hoop and complained, "A design?

All I can see is just some colored threads - Yellow, blue, red, black, pink. All tangled up, all messed up into each other, all complications, and you call it a design?" The mother with smiling face picked up a little boy, put him on her lap and said to him, "Now look at it my son." And a boy saw a beautiful design, an incredible pattern, a systematic plan and a layout evolving on that cloth. The mother said to the boy, "When you look at the cloth from your side, all you see is a mess. When you look at the cloth from my side, all you see is a beautiful design, a pattern, a plan."

Ladies and Gentlemen, when we go through the helpless, overwhelming challenges in our life for no fault of ours or no fault of anybody else and we cannot do anything to sort it out, if we see and look at it from our point of view, all we see is a mess. All we see is situations and events tangled, jumbled up to create that mess. But when we look at the same situation from life's point of view, from universe's point of view, we see a beautiful design, a pattern, a plan evolving in our lives. In fact, for a beautiful design of embroidery to happen on one side, you cannot avoid the mess on the other side. And it's not just the nature of embroidery, such is the nature of life as well. This outlook, actually gives us a very deep sense of inner strength and fortitude to face such helpless, overwhelming challenges in our life. Thus I say, **"Change your VISION and your VISION will change you!"**

Thank you very much!!!

एमएडब्लु इन्टरप्राइजेज अन्तर्गतको लाइफ अटोमोबाइलले केही समयमै जिप ब्रान्डलाई नेपालमा भित्र्याउने भएको छ। जिप अमेरिकी इतिहाससँग जोडिएको निकै सम्मानित ब्रान्ड हो र यस्तो ब्रान्डसँग जोडिनु एमएडब्लुका लागि गौरवको कुरा हो। आउनुस्, एमएडब्लु डायरीको यो अंकमा जिपबारे केही बुझौं। - सम्पादक मण्डल

'नाजी होस् या आर्थिक मन्दी वा लगातारको स्वामित्व परिवर्तन नै किन नहोस्, केहीले पनि जिपलाई अहिलेसम्म रोक्न सकेको छैन। भविष्यमा जिप ब्रान्ड जस्कोसुकै हातमा गए पनि यो निरन्तर दौडिरहनेछ।'

अमेरिकी अटो ब्रान्ड जिपबारे चर्चित भनाइ हो यो। जिप भन्ने बित्तिकै मानिसहरुले एसयुभी सेगमेन्ट वा ग्राउन्ड क्लेरेन्स धेरै भएको अफरोड गाडीलाई बुझ्छन्। तर खासमा जिप

भनेको कुनै सेगमेन्ट होइन बरु एउटा ब्रान्ड हो, अमेरिकामा सबैभन्दा बढी रुचाइने र विश्वकै चर्चित अफरोड गाडी निर्माता ब्रान्ड।

जिपको विरासत

जिपको सुरुवात कसरी भयो भन्नेबारे एउटा रमाइलो कथा छ। वास्तवमा सेनाको चर्चा नगरिकन जिपको इतिहास पूरा हुनै सक्दैन। सन् १९४० मा दोस्रो विश्वयुद्धको मुखैमा अमेरिकी सेनाले अटो निर्माताहरूसँग आवेदन माग्यो, आफ्नो लागि गाडी निर्माण गर्न।

फोर ह्विल ड्राइभ हुनुपर्ने, तीन जना जवान बोक्न सक्ने, ७५ इन्चभन्दा कम ह्विल बेस भएको, ४७ इन्चको एक्सल ट्र्याक भएको, फोल्ड गर्न मिल्ने विन्डशिल्ड भएको, ६६० पाउन्ड बराबरको वजन बोक्न सक्ने, इन्जिनको टर्क क्षमता ८५ फुट पाउन्ड भएको र खाली हुँदा १३०० पाउन्डभन्दा कम वजन भएको। सेनाले आफ्नो भावी गाडीमा यी आठ वटा स्पेसिफिकेसन हुनुपर्ने बताएको थियो।

यसमा सेनाको थप तीन वटा सर्त थिए। आवेदन ११ दिनभित्र आउनुपर्ने। निर्माताले ४९ दिनमा पहिलो 'प्रोटोटाइप' गाडी बनाउनुपर्ने र ७५ दिनभित्र ७० वटा परीक्षण गाडी उपलब्ध गराउनुपर्ने। सेनाले यो विज्ञापन कुनै सन्कीले निकालेको जस्तो भान हुन्थ्यो, त्यो बेला। किनभने यति छोटो समयमा यी स्पेसिफिकेसन भएका गाडी बनाउनु असम्भव जस्तै थियो। एक सय ३५ वटा अटो निर्माता थिए, पूरै अमेरिकामा। तर मात्र दुई वटा कम्पनी सेनाले दिएको स्पेसिफिकेसन र सर्तमा गाडी बनाइदिन तयार भए, अमेरिकन बान्टम कार कम्पनी र विलिस-ओभरल्यान्ड मोटर। यसमा पनि 'डेडलाइन मिट' नगरेका कारण विलिस फालियो र बान्टमले एउटा मोडेल दियो सेनालाई जुन सेनाले सोचेभन्दा पनि राम्रो थियो। तर सेनाको माग पूरा गर्ने क्षमता बान्टमसँग पनि थिएन। त्यसैले जिपको निर्माण अधिकार विलिसले नै पायो। पछि जिप ब्रान्डको स्वामित्व फोर्ड, एएमसी, क्रिस्लर, डेमलरबाट सदैँ सदैँ अहिले फियाट क्रिस्लर अटोमोबाइल्स (एफसीए)सँग छ।

स्वतन्त्रता, रोमाञ्चकता, आधिकारिकता र जोश

वास्तवमा जिप ब्रान्ड स्वतन्त्रता, रोमाञ्चकता, आधिकारिकता र जोशको प्रतिक हो। पछिल्ला आठ दशकदेखि जिप ब्रान्डले जिपधनीहरूलाई कठिन भूगोलमा पनि सुरक्षित यात्राको आभाष दिलाइरहेको छ। जन्मेदेखि नै यो ब्रान्डले अद्वितीय, फुर्तिलो र क्षमतावान् सवारी निर्माण गर्दै आएको छ। ७७ वर्षअघिदेखि नै जिप ब्रान्ड स्वतन्त्रता, साहस, आधिकारिकता र जोशसँग मिसिँदै आएको छ।

जिपलाई 'ओरिजिनल फन एन्ड फ्रिडम मेसिन' पनि भन्ने गरिन्छ, जुन 'जहाँसुकै गएर जे पनि गर्न' सक्षम छ। सुरुदेखि नै जिप 'स्वतन्त्रता'सँग जोडिँदै आएको छ। दोस्रो विश्वयुद्धमा अमेरिकी र गठबन्धन सेनालाई जिपले पुऱ्याएको योगदानको चर्चा अहिले पनि हुने गर्छ।

साहसिक यात्राका लागि जिप सबैभन्दा विश्वासिलो सहयात्री मानिन्छ। 'साहस, सपना र खोज'। कुनै समय जिपले आफूलाई मिल्ने यस्तो ट्यागलाइनको विकास गरेको थियो। भनिन्छ, जिपकै कारणले अमेरिकाले विश्वयुद्ध जितेको थियो। त्यसैले पनि उसलाई कुनै वीर सैनिकलाई दिइने उच्च सम्मान दिइएको थियो। जिप सदा आफ्नो सम्पदाप्रति बफादार रह्यो। जिपले कहिले पनि आफ्नो क्षमता र शक्तिसँग सम्भौता गरेन। र जिपका सदस्यहरू सधैं उत्सुक छन्। जिप धेरै मानिसहरूको 'आदत' बनेको छ। 'जिपर'हरूको जीवनशैली भिन्न छ, र जिपले उनीहरूलाई 'दुर्लभ' आभाष दिलाउँछ।

रेकर्डमाथि रेकर्ड

सन् २०१४ मा जिप ब्रान्डले लगातार तेस्रो पटक अल-टाइम ग्लोबल सेल्स रेकर्ड राखेको थियो। त्यो वर्ष संसारभर १० लाख १७ हजार एक सय ९ वटा जिप विक्री भएका थिए। अघिल्लो वर्ष उसले सात लाख ३१ हजार पाँच सय ६५ वटा गाडी बेचेको थियो भने सन् २०१२ मा सात लाख एक हजार ६ सय २६ वटा।

सन् २०१५ मा जिपले आफ्नो लाइनअपमा साना एसयुभी रेनेगेडलाई ल्यायो। यसमा बेस्ट-इन-क्लास अफ-रोड क्षमता, खुल्ला आकाशको स्वतन्त्रता र विलासिताको एउटा अपूर्व संयोजन छ। सेग्मेन्टमै पहिलो पटक नाइन-स्पिड अटोमेटिक ट्रान्समिसनले अभुतपूर्व अफ-रोड ड्राइभिङ अनुभव दिलाउँछ। यसको डिजाइन विश्वस्तरीय छ, र यसमा दुई वटा मल्टिएयर इन्जिन प्रयोग भएका छन् भने नयाँ सुरक्षा व्यवस्था र अत्याधुनिक फिचर छन्। रेनेगेड जिपको लाइनअपमा पाँचौँ एसयुभी हो।

एसयुभीको सबैभन्दा ठूलो लाइनअप

एउटै ब्रान्डमा सबैभन्दा बढी एसयुभी भएको जिपसँग चेरोकী, कम्पास, ग्र्यान्ड चेरोकী, ग्र्यान्ड चेरोकী एसआरटी, पेट्रियट, रेंगलर, रेंगलर अनलिमिटेड जस्ता भेरियन्ट छन्।

चेरोकी: यो मिड-साइज एसयुभीमा आइकनिक जिप ट्रायलको ४बाई४ क्षमता छ। तर यसमा अन-रोड डाइनामिक्ससँग सम्भौता गरिएको छैन। साथै अघिल्ला पुस्ताका जिपमा भन्दा यसको फ्युल इकोनोमी ४५ प्रतिशतले सुधार गरिएको छ। चेरोकीमा धेरै नयाँ फिचरहरू छन् जस्तो कि सेग्मेन्टकै पहिलो नाइन-स्पिड अटोम्याटिक ट्रान्समिसन, तीन वटा नयाँ ४बाई४ सिस्टम, रियर-एक्सल डिस्कनेक्ट र अत्याधुनिक सुरक्षा तथा प्रविधि। लाइफ अटोमोबाइलले केही समयपछि नै जिप कम्पास नेपालमा सार्वजनिक गर्ने योजना रहेको छ। कम्पास कम्प्याक्ट आरामदायी एसयुभी हो, डिजाइन प्रिमियम छ र इन्धन खपत कम गराउँछ। कम्पासको प्रयोजन व्यापक छ र यसलाई व्यक्तिगत स्वतन्त्रतासँग जोडेर हेरिन्छ, किनभने यसको क्षमता आश्चर्यजनक छ। जिपले गत वर्षदेखि भारतमा पनि कम्पासको निर्माण थालेको थियो। एक वर्षमै भारतमा २५ हजारभन्दा बढी कम्पासको डेलिभरी भइसकेको छ भने ५ हजार जापान, अस्ट्रेलिया र बेलायत जस्ता राइट ह्यान्ड ड्राइभ मुलुकमा निर्यात भइसकेको छ। (साभार: अनलाइनखबर डट कम)

During the visit, our valued customers observed the process of how the machines are built from the delivery of the sheet steel, profiling, laser cutting, welding,

paint shop, assembly and finally the finished product. They also inspected the complete range of JCB Excavators in the same platform. JCB Manufactures excavators ranging from 3 Ton to 38 Ton to provide solution to customers as per the requirement in the projects.

Beside that customers enjoyed and had great time touring Pune Plant, the classic Khandala and dazzling beach of Mumbai. Customers told it was really a great experience in Pune factory and India tour. They also shared privileged to be associated with and making JCB as part of nation development.

I am very delighted to see how the world best heavy equipments are made ready to face the harshest situation during construction works. "We are very much thankful towards MAW Earthmovers for this lifetime experience given to us," he said, "it is satisfying to witness all the manufacturing process."

It was beyond my imagination to see such a huge manufacturing plant. It's very surprising that most of the works are being done by the robots which is one of the reasons for perfections in JCB Excavators. I am very convinced in the JCB Excavators and without any doubt I will be purchasing the machines in coming

season when the brick productions will resume. I will be gladly telling my other entrepreneurs what I saw in the plant and why JCB Excavators are world's most trusted.

I am using JCB 3DX Super and I am very satisfied with the machine performance. But regarding excavators I was in very dilemma which brand to choose are there are very mixed suggestions from friends as well as there are lots of options. Mr. Ramesh Giri from MAW-JCB knew about it

and gave me a call. He told don't rush in making the decisions. Let's go to Pune Plant where JCB Excavators are being manufactured. As soon as I stepped inside the plant I was so amused and I get the confidence in JCB Machines. Seeing is believing proved to be right here. Since I am expanding my plant next season and I will be requiring an excavator. JCB Excavator will be my first choice.

I am still amazed to get the live view of robots working in the fabrication. It was like watching a Hollywood science fiction movies. It was such a pleasure to the eye. We all thought the Indian Manufactured machines are being exported to

Indian Sub-continent only. During the interaction session I came to know that they export the machines to over 85 countries globally including Africa, Russia, Europe, Australia and even the UK itself which is the Headquarter of JCB. I would like to thanks JCB for providing such a great opportunity. Beside that we too have collected the beautiful memories in classic Khandala and dazzling beach of Mumbai.

आयोजना व्यवस्थापनको अवधारणा र विकास PROJECT CONCEPT AND ITS GROWTH

सामान्य अर्थमा लागत र समयको हदबन्दी भएको, लक्ष्य पूर्वकितान भई सो हासिल गर्न भौतिक, आर्थिक एवम् सूचनागत स्रोतको संयोजन गरिएको तथा तोकिएको लक्ष्य हासिल गर्न कार्यरत सबै कर्मचारिहरुको सामुहिक प्रयासबाट मात्र काम सम्पन्न हुन सक्ने कुरामा विश्वास राखिएको सैद्धान्तिक एवम् व्यावहारिक आचरण नै आयोजना हो। अर्का अर्थमा भन्नुपर्दा आधुनिक कम्प्युटर पद्धति अनुसार आगतलाई प्रकृयागत पद्धति अनुसार उत्पादनमा रुपान्तरण गर्न संयत्र नै आयोजना हो। आयोजना एउटा अस्थायी तर विशेष कार्य हो, जुन सम्पन्न भएपश्चात् समाप्त हुन्छ, अर्थात् छोटो समयमा सीमित स्रोत एवम् साधनको उपयोग गरि पूर्व निर्धारित, लक्ष्य पूरा गर्नका लागि आयोजनाको स्थापना गरिन्छ। उक्त लक्ष्य प्राप्तिसँगै आयोजनाको अस्तित्व पनि समाप्त हुन्छ। यसको प्रारम्भ र अन्त्य बिन्दु पूर्व निर्धारित हुन्छ। आयोजना व्यवस्थापनको अवधारणा विकास प्रशासनको अवधारणासँगै विकास भएको मानिन्छ। आयोजना व्यवस्थापनको जानकारी लिनु अगावै व्यवस्थापनको बारेमा ज्ञान हुनु आवश्यक हुन्छ।

साधारण अर्थमा कुनै पनि तोकिएको काम व्यवस्थित रुपमा सम्पादन गर्नको लागि निश्चित प्रक्रिया पुरा गनुपर्दछ। व्यवस्थापन भनेको उद्देश्य हासिल गर्नको लागि योजना, सङ्गठन, कर्मचारी, नेतृत्व तथा नियन्त्रणको माध्यम प्रायोग गरी मानिसहरुसँग आपसमा मिलेर उनीहरुबाटै काम गराउने कला हो। तसर्थ कुनै गहन कार्यलाई सफलतापूर्वक सम्पादन तथा नियन्त्रण गरी उपलब्ध संसाधनको अधिकतम उपयोग गर्न अवलम्बन गरिने आधुनिक व्यवस्थापकिय अवधारणा नै व्यवस्थापन हो। आयोजना व्यवस्थापनको जननी मध्यकालिन युगमा विकास भएको व्यवस्थापनको अवधारणालाई मानिन्छ। त्यसताको व्यवस्थापनको नम्सअनुसार व्यापारिक युनियनहरु आ-आफ्नो वर्गीय हितको लागि खोलिएका थिए। खासगरी १५ औं शताब्दीतिर इटली, जर्मनी, बेलायत जस्ता राष्ट्रहरुमा सङ्गठन मार्फत व्यापारको व्यवस्थापन थालनी भएको मानिन्छ। मुख्यतया १७ औं शताब्दीमा युरोपमा भएको औद्योगिक क्रान्तीका कारण नयाँ नयाँ प्रविधिको विकासले गर्दा हातको बदला मेसिनको, घरको बदलामा कारखाना, परम्परागत औजारको बदला नयाँ एवम् परिष्कृत यन्त्रहरुको प्रयोगले गर्दा उत्पादनले उद्योगको रुपमा विकासहुन थाल्यो।

फलस्वरुप मध्यमस्तरीय उद्योगको कल्पना हुन गई सङ्गठनात्मक व्यवस्थापनको अवधारणा सुरु भयो। औद्योगिक क्रान्तिले १८ औं शताब्दीमा उत्पादनका सबै क्षेत्रलाई प्रत्यक्ष प्रभाव पार्न थाल्यो। व्यवस्थापकीय कार्यहरु दिन-प्रतिदिन भन्-भन् जटिल बन्दै जान थाले, यसले गर्दा व्यवस्थापनको सिद्धान्तको विकास हुन पुग्यो। उत्पादनमा आएको आयको विस्तारका कारण प्रतिस्पर्धाको जन्म भयो। यसले छिटो, छरितो, थारै लागत र प्रयासबाट धेरै लाभ लिन सक्ने व्यवस्थापनले मात्र बाँच्न एवम् विकास गर्न सक्ने वातावरणको सृजना हुन थाल्यो। २० औं शताब्दीको पूर्वार्धमा नयाँ व्यवस्थापनका सिद्धान्तहरु जस्तै; वैज्ञानिक व्यवस्थापनको सिद्धान्त, कर्मचारितन्त्रको सिद्धान्त आदी। यी सिद्धान्तले आयोजना व्यवस्थापनलाई मृतरुप दिन थप टेवा मिलेको देखिन्छ।

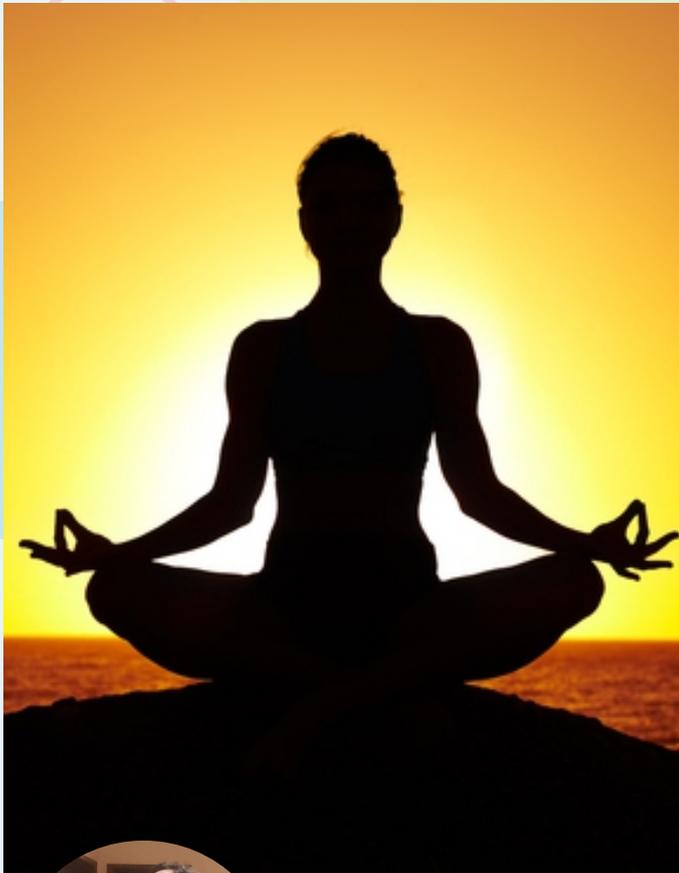

पृथ्वीनारायण शाहले नेपाल राज्यको एकिकरण गरे पछाडिदेखि राणाशासनको अन्त्य हुने समयमा बनेका शाहकालिन दरबारहरु, राणाकालिन शालिकहरुजस्ता नमुना नै आयोजनाको विकासमा कोसेढुङ्गाका रुपमा देखिन्छन्। खासगरी नेपालको परिप्रेक्ष्यमा आयोजना व्यवस्थापनको अवधारणा वि.स. २००७ साल पछाडि सुरु भएको पाइन्छ। सन् १९६८ को फर्पिङ जलविद्युत्लाई नेपालको आयोजना व्यवस्थापनको उदाहरणको रुपमा लिन सकिन्छ। मेलम्ची खानेपानी आयोजना -एशियाली विकास बैंक), कर्णाली जलविद्युत आयोजना (भारतीय सहयोग), शरणार्थी आयोजना (UNHCR), चौथो सडक सुधार आयोजना (ADB) आदी हालसम्म साना - ठुला गरी ७०० भन्दा बढी आयोजनाहरु विभिन्न दातृ राष्ट्रहरु तथा अन्तराष्ट्रिय गैरसरकारी संघसंस्थाको वित्तिय एवम् प्राविधिक सहयोगमा सञ्चालित भएका छन्। अनुदान सहयोगको बहानामा नेपाललाई उपलब्ध सहायताको भन्डै ९० प्रतिशत हिस्सा सम्बन्धित देशमा नै विभिन्न सर्तमा फिर्ता हुने गरेको छ जुन हाम्रो आयोजना सञ्चालनको वास्तविकता हो।

तसर्थ आयोजना व्यवस्थापनको अवधारणालाई उत्कृष्ट ढंगले उपयोग गर्न सके मात्र नेपाललाई पनि अरु विकशित राष्ट्रहरुको दाजोमा पुग्न धेरै समय नलाग्ने देखिन्छ।

HEAL YOURSELF

HEAL YOURSELF

She is walking down the road
Giggling with her girls
Singing their song
Hug and kisses, like its last day on the earth

Then something happen, like she saw a ghost
All the moment of fun was lost

She slow down her pace
And try to hide her face
Breathing with heavy heart
And Tear falling down, like its last day on the earth

Looking at this from far, I was confused
Felt like, I should go to her and share her fear

She was controlling her emotions
Fighting war in mind, with no public reaction
Lost in the bizarre situation and
In the verge of collapsing, like its last day on the earth

Waiting for the time, to see her reaction
Sense of new life is coming together

She was gathering herself
Healing with time
I walked past her, down the road
Learn to cherish your life, like its last day on the earth for new beginning
